## RULES OF BOTH HOUSES OF PARLIAMENT

RESPECTING THE

### LIBRARY OF PARLIAMENT.

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the Session of Parliament except the Governor General, the members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce strangers to the Library during the day-time, but not after the hour of seven o'clock, P.M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until three in the afternoon; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarian; subject to such regulations as may be deemed necessary for the security and preservation of the collection; but no one shall be allowed to take any book out of the Library except members of the Legislature, and such other as may be authorized by the Speaker of either House.

During the recess of Parliament, no member of either House not residing at the seat of Government shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House, to borrow books from the Library, shall be allowed to have in his possession more than two books at any one time, or to retain the same longer than three weeks, and all such persons shall return the books so taken when required by the Librarian.

No books of reference or books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

## RÈGLEMENTS

CONCERNANT LA

### BIBLIOTHÈQUE.

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur Général, les membres du Conseil Privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent en personne introduire des étrangers dans la Bibliothèque pendant le jour, mais non après sept heures, P.M.

Pendant les Sessions du Parlement aucun livre de la Bibliothèque ne peut être emporté de l'édifice, excepté sur l'autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à trois heures de l'après-midi; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la discrétion du Bibliothécaire, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant les vacances du Parlement, aucun membre de l'une ou de l'autre Chambre ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou de garder en sa possession plus de trois ouvrages à la fois; de plus, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège—sur la foi d'une carte du président de l'une ou de l'autre Chambre,—d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence ou ouvrage de luxe et de prix ne pourra être emporté du siège du Gouvernement pour aucune considération.

A chaque Session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas encore été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précèdent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following New Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested.

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any books belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on; nor will smoking, or spitting on the floor or carpet be permitted, in any of the Library apartments.
4. No audible conversation will be allowed in the reading room; nor shall any person be permitted to partake of refreshments therein; and no dogs shall be allowed in the Library.

Outre les règles qui précèdent, le Comité de la Bibliothèque a recommandé l'adoption des règles suivantes, dont toutes personnes fréquentant la Bibliothèque ou faisant usage des livres qui la composent sont priés de prendre connaissance :

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque.
4. On ne pourra converser à haute voix dans la chambre de lecture; on ne pourra non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

REPORT  
OF THE  
JOINT LIBRARIANS OF PARLIAMENT

# REPORT OF THE JOINT LIBRARIANS OF PARLIAMENT.

---

The Joint Librarians of Parliament have the honour to report as follows for the year 1895 :—

The recess has been largely devoted to changes and improvements in the catalogues of the Library, the law catalogue being in process of re-copying and the card catalogue being put into type-writing.

The United States Government having after much delay published the proceedings in the Behring Sea case, complete sets of the American volumes have been provided for the Library, in addition to those printed by Great Britain.

Attention is being given to the collection of the reports of all Royal Commissions issued in Great Britain for the investigation of important public questions. The Library already contains many of these reports, on Trade, Criminal Law, the West Indies, the Public Service, Labour and other subjects.

The Royal Commission on Agriculture in England having almost completed its labours, a full set of the volumes as far as published has been provided in advance of the general set of Imperial Commons Papers.

The Royal Commission on Secondary Education having published its report in full, a separate set has been provided in like manner.

The reports of the various Boards of Trade and Chambers of Commerce in England for the past year have been collected, and will be found upon the shelves.

The date of the meeting of Parliament renders it impracticable to provide the bound sets of periodicals for the use of Members at as early a period as is desirable ; but arrangements have been made to procure as speedily as possible the newspapers and periodicals most likely to be required for the purposes of Parliament.

The instructions of the committee with regard to the distribution of certain exchanges were duly carried out during the recess, and the replies of the recipients have been duly received and filed in the Library.

The latest additions to the literature of Political Economy, Statistics and Trade will be found on the shelves as usual ; but the annual statistical compilations for 1895 will not be available at this early date of the new year.

Among the most valuable of the donations of the year may be mentioned the Report of the Constitutional Convention of New York in seven volumes, received from the library of the State.

At this last session of the present Parliament the Librarians desire to acknowledge the courtesy and consideration they have received from the Speakers of the Senate and House of Commons, in carrying out the rules and customs of the Library.

The list of donations and copyrights will be found appended as usual.

The catalogue of accessions during the year is ready for distribution.

All of which is respectfully submitted.

## RAPPORT DES BIBLIOTHÉCAIRES-CONJOINTS DU PARLEMENT.

---

Les bibliothécaires du parlement ont l'honneur de soumettre le rapport ci-dessous pour l'année 1895.

Le temps de la vacance a été surtout employé à améliorer les catalogues de la bibliothèque ; on procède actuellement à copier un nouveau catalogue de droit et le catalogue sur cartes se fait au clavigraphie.

Le gouvernement des Etats-Unis ayant publié, après beaucoup de retard, les comptes rendus de la cause de la mer de Behring, nous nous en sommes procurés plusieurs exemplaires pour la bibliothèque, qui ont été mis avec ceux que nous avions déjà de la Grande-Bretagne.

Nous sommes occupés à recueillir les rapports des commissions royales en Angleterre sur l'examen de questions publiques importantes. La bibliothèque renferme déjà plusieurs de ces rapports, entre autres sur le commerce, la loi criminelle, les Indes Occidentales, l'administration publique, le travail, etc.

La commission royale de l'agriculture en Angleterre, dont les travaux sont maintenant presque terminés, nous a permis d'en obtenir les comptes rendus aussi complets que possible, en attendant les documents parlementaires que nous recevons régulièrement de la mère patrie.

Le commission royale sur l'éducation secondaire a publié son rapport au complet, et nous en avons également des exemplaires séparés.

Nous avons aussi sur nos rayons les rapports des divers bureaux du commerce d'Angleterre pour l'année dernière.

La date de la réunion des Chambres ne permet pas d'offrir, reliées pour l'usage des membres, les publications périodiques ; mais nous avons pris toutes les mesures requises pour mettre à la disposition des députés les journaux et autres publications dont ils peuvent avoir besoin.

Les instructions du comité de la bibliothèque, quant à la distribution de certains ouvrages, ont été suivies durant la vacance, et les noms de ceux qui les ont reçus, ainsi que les accusés de réception, se trouvent dans les archives de la bibliothèque.

On trouvera ici comme d'habitude les derniers ouvrages sur l'économie politique, la statistique et le commerce ; mais les statistiques pour 1895 ne sont pas encore livrées à la publicité.

Parmi les donations de cette année, nous pouvons mentionner le rapport de la convention constitutionnelle de New-York, en sept volumes, que nous avons reçu de la bibliothèque de cet Etat.

A cette dernière session du présent parlement les bibliothécaires désirent reconnaître la courtoisie et les égards que leur ont toujours témoignés les présidents du Sénat et de la Chambre des Communes dans l'application des règles et usages de la bibliothèque.

Ci-après est annexée la liste des ouvrages reçus en dons ainsi que ceux déposés en vertu de la loi qui protège la propriété littéraire.

Le catalogue annuel des livres achetés pendant l'année est prêt pour distribution.

Le tout respectueusement soumis.
